Emmanuelle and I will be at Hopi all that week, so Wednesday (December 30) will work. What about at 9:00 a.m. Hopi time at your office?

Wednesday morning would work if you will be still on Hopi. I rescheduled the meeting with NAU last week so don't want to cancel.

Ivan,

I would like Emmanuelle to meet you since you and she will be communicating with each other the most. Perhaps we can schedule something for Wednesday or Thursday?

I was scheduled to be in Flagstaff for a meeting on a renewal project with NAU and APS. You can meet with the staff if you only want to look at our water system. I will notify them.

Ivan,

What is you and your staff's schedule like for the afternoon of Tuesday, November 29, 2016? Emmanuelle Rapticavoli, who will be taking over the oversight of the Hopi water systems, and I will be in the Keams Canyon area that morning. Can we meet with you and your staff in the afternoon to look at the Polacca water system?

Please let us know of your availability. Look forward to hearing from you.
